

My Keyboard Lessons

Ijeoma Erica Mbubaegbu talks about setting up with 'My Keyboard Lessons'

After setting up with 'My Keyboard Lessons', I have six students already and more have booked lessons to start in September to coincide with the new school year starting.

'My Keyboard Lessons' have also assisted with me getting a part-time job as a Keyboard Teacher for a music school. Each class that I teach has a minimum of five students and a maximum of eleven. Therefore I will be doing a lot of teaching.

'My Keyboard Lessons' have helped me get started as a Music Teacher and helped me to find my vocation. I am forever grateful for their help.

Ijeoma Erica Mbubaegbu.

My Keyboard Lessons Instructor.
